

John Wonnacott
Town of Shelburne
Community Participation &
Volunteerism Committee
Volunteer of the Month
July 2018

As an engineer living in our community, John Wonnacott has also assisted the Town of Shelburne with a number of projects over the years, especially when there's a time sensitivity. This past winter when the town's historic waterfront was badly damaged by winter storms, John assisted Town staff in reviewing the damage and making recommendations for repair, helping us to have the waterfront infrastructure back in good shape for the summer season.
