

Volunteer of the Month Holly Rolland

Community Participation & Volunteerism Committee Volunteer of the Month November 2019

Holly has volunteered throughout her life with activities such as 4H and university student government. After moving to Shelburne, Holly has brought the Girl Guides program back to the area.

The Shelburne Girl Guides program became so popular that they had to start turning girls away in the first year. Community volunteers stepped up to help continue to make the program a success.

Holly also volunteers with the Parent Teacher Support Group at Hillcrest Academy. "She has a servant's heart and follows the belief that those who say it can't be done, shouldn't stand in the way of those trying."

For her volunteer efforts with young people in the community, the Town of Shelburne's CP & V Committee recognizes Holly Rolland as volunteer of the month for November 2019.
